### **SIMPLE 12-STEP SYSTEM**

- 1. SHARE STEP.**

**Use the following questions to create interest and to create your own questions.**

- Have you heard... of a no injection 100% ALL-NATURAL stem cell activation system?
- Have you heard... how stem cell activation can reverse aging and help you live a more youthful, longer, and more active life?
- Have you heard... for less than the cost of a cup of coffee a day, you can have amazing health benefits from stem cell activation?
- Have you heard... that stem cells are the repair cells of the body, and as we age, we lose OVER 90% of our stem cell activity... and this is causing us to heal slower and age faster?
- Have you heard... that everyone over 30 years old, and some people under 30, suffer from LOW STEM CELL ACTIVITY that can cause us to heal slower and age faster?
- Have you heard... (add in a benefit here of X39 or an issue caused by LOW STEM CELL ACTIVITY.)

**2. SHARE STEP.**

**Share Your X39 HEALTH STORY.**

After asking one of the questions in STEP 1, say; "And this is what this All-Natural Stem Cell Activation Technology has done for me." In just a few minutes, not an hour... :-). Be the TRAILER to the MOVIE, NOT the WHOLE MOVIE!

And if you are new, or to share a story similar to what the person you are talking to would be interested in, you can share other people's X39 WELLNESS STORIES. Again, keep it short and move to STEP 3.
